(iv) EXPLANATORY NOTE ON SPECIAL BUSINESS:

- Item 7 of the Agenda**
Proposed Resolution 6 - Approval for Issuance of new ordinary shares pursuant to Section 161 of the Companies Act (Chapter 50) of Singapore ("the Act").
The Proposed Resolution 6 is the renewal of the mandate obtained from the members at the last Annual General Meeting ("the previous mandate"). The previous mandate was not utilized and accordingly no proceeds were raised.
The Proposed Resolution 6, if passed, will give the Directors of the Company, from the date of the above Meeting, the authority to issue and allot ordinary shares from the unissued share capital of the Company up to an amount not exceeding in total ten per centum (10%) of the nominal value of the issued and paid up Share Capital (excluding treasury shares) of the Company for such purposes as the Directors consider would be in the interest of the Company.
This authority, unless revoked or varied by the Company at a general meeting, shall continue in force until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.
The General Mandate is to provide flexibility to the Company to issue new securities without the need to convene separate general meeting to obtain its shareholders' approval so as to avoid incurring additional cost and time. The purpose of this general mandate is for possible fund raising exercise including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital, repayment of bank borrowings, acquisitions and/or for issuance of shares as settlement of purchase consideration.
As at the date of this Notice, the Company did not issue shares pursuant to the mandate granted to the Directors at the last Annual General Meeting held on 23 June 2017.
